

**Follow-up findings for Career Information, Advice and Guidance services
delivered by Skills Development Scotland in East Renfrewshire**

Publication date - 15 January 2021

Progress made on the main points for action:

- The local authority and SDS should continue to work together to raise the level of MyWoW registrations in all schools

Satisfactory progress has been made.

- The local authority and SDS should ensure that the school leaver destinations in all schools continue to improve.

Satisfactory progress has been made.

- The SDS team should ensure that arrangements to improve the quality of group sessions are effective.

Satisfactory progress has been made.

HM Inspector
