## Follow-up findings for Career Information, Advice and Guidance services delivered by Skills Development Scotland in Western Isles

Publication date - 7 January 2022

### Progress made on the main points for action:

The local authority and SDS should work together to ensure that secondary schools increase the number of MyWoW registrations and provide sufficient opportunity for customers to develop CMS within the curriculum.

- **Satisfactory progress has been made.**

SDS and the local authority should continue to work together to ensure secondary schools take account of LMI in relation to the economic needs and priorities of the Western Isles.

- **Satisfactory progress has been made.**
