Dear Parent/Carer

Vale of Leven Academy

In February 2019, Education Scotland published a letter, following an inspection of Vale of Leven Academy. In January 2020 West Dunbartonshire Council's Education Improvement team visited the school and evaluated progress made by the school in taking forward the agreed areas for improvement identified in the inspection report. The Council's progress report was shared with Education Scotland and is available at

After reviewing the evidence we are now confident Vale of Leven Academy has the capacity to continue to improve and we will publish no further reports in relation to the 2019 Education Scotland inspection report. Officers from West Dunbartonshire Council will continue to work with the school to ensure progress continues.
