Dear Parent/Carer

Sandness Primary School

In September 2018, Education Scotland published a letter on your child's school. The letter set out a number of areas for improvement, which we agreed with the school and Shetlands Islands Council. We published a further letter in December 2021.

As requested, Shetlands Islands Council has now provided us with a report on the school's progress since December 2022 and is available at <https://www.shetland.gov.uk/downloads/download/1425/school-progress-reports>.

After reviewing the evidence, we are now confident Sandness Primary School has the capacity to continue to improve and we will publish no further reports in relation to the 2018 Education Scotland inspection report. Officers from Shetlands Islands Council will continue to work with the school to ensure progress continues.
